The Flat River football and basketball teams went to Perryville last Friday and played the Perryville teams on their courts. The football game was the most interesting of this season. The Perryville field is something like a bluff and the team going downward always has the advantage.

Flat River had the down-hill run the first quarter and succeeded in playing Perryville off of their feet, and had they known how long it would seem during the next half hour when Perryville would be going down, they probably would have played even harder.

Neither team scored during the first half and it was not until near the end of the 3rd quarter that the opposing team succeeded in making a touchdown; but they failed to kick goal. This made the score 6 to 0 in Perryville's favor. Usually Flat River loses pep if the opposing team scores first but it was different this time. After struggling for some time they gained until they were within a few yards of Perryville's goal. But there were only four minutes left to play and Perryville was holding our line back. Then we succeeded in making a big advance and secured a touch-down and kicked goal, making the score 7 to 6 in our favor. The boys playing on the Flat River team were: Brabson Cecil, Red McAnnally, Pete Cooper, Bill Houser, Geo. Rohrback, "Doc" Haney, Willis DeGuire, Bill Newcomb, Seibert Miller, Rolla Garrett, "Fatty" Thomasson, Jeff Matkin, Ralph Breven, G. Burns and Harold Sutherland.

The girls met the Perryville team Friday night at 7:30. The game started fast and was played fast to the end. Our girls were not at their best but put up a good game. Before we could realize it, the score was 7 to 1 in Perryville's favor and at the end of the first half the score was tied, 7 to 7. We found the Perryville team much improved. With a changed line-up the second half, our girls went in with a determination to double the score on Perryville and succeeded in scoring two to every goal made by Perryville. The score was 28 to 15 in Flat River's favor. The girls' line-up was: Francis Anthony Thompson, Vida Tucker, Ora Robinson, Elsie Silvey, Nellie Williams and Beattie Mosier, Irene Dudley. Both teams and all the Flat River rooters were royally entertained by the Perryville people. Everyone enjoyed the big feast given them after the girls' game.
